

Report from the February 15, 2015 Area 55 General Service Assembly

Greetings Area 55 GSR's, DCM's and AA Members.

My report is being read by John C. who returned early from the E.C. Regional Conference of Delegates Past and Present. I remained at the Conference to attend the Sunday AM business meeting which is a voting business meeting for business in the ECR. Additional ECR reporting, reviewed a letter from Fred C. who chairs the Ad Hoc committee of the 2015 International Convention regarding our Regional Hospitality Suite. The committee has secured the Maple A Suite in the Omni Hotel which has been provided at no cost by GSO. We need volunteers to man the Hospitality Suite, so if you are attending the Convention in Atlanta and are willing to spend a few hours greeting people, please contact me. We also have been asked that each area contribute \$500 to pay for coffee and beverages only. If we are unable to contribute that much we are asked for whatever we can.

The Trustees report this month was entirely about the Trustee committees addressing proposed agenda items for the 2015 GS Conference in April.

The agenda items have been posted to Delegates on dashboard and mailed in disc and hard copy on 2/13/15. I will be communicating with area officers and committee chairs next week regarding items to be used in our Mini Conference. All agenda items are going to be posted on the website without background material. Background material is available if requested. Come to the Mini Conference !!!

Finally there is a GSO staff job available. Applications accepted and you must move to New York.

Respectfully Submitted, Your Delegate Nancy M.
